## Why should you be a sponsor?

Silicon Saxony welcomes sponsors for the 20<sup>th</sup> European Advanced Process Control and Manufacturing Conference. This is an excellent marketing opportunity for Manufacturers and Suppliers of Semiconductor, Photovoltaic, LED, Flat Panel, MEMS, and other relevant industries.

Choose the sponsor opportunities, which suit best to your company interests from the sponsor level lists.

Register on or before February 13, 2022 to ensure that your company will receive the full benefits of apc|m Europe sponsorship. Availability of benefits for sponsor registrations received after that date may be limited.

## Benefits of our sponsors

This important event benefits your company in several ways.

### As a sponsor at the apc|m ...

- ... you demonstrate your dedication to advanced process control, manufacturing effectiveness, future factory design, and **sustainability**.
- ... you provide an opportunity to network with experts and managers from a broad cross-section of the semiconductor, photovoltaic, LED, flat panel, MEMS, and other relevant manufacturing industries.
- ... you provide advertising value through prominent visibility of your company's name and logo throughout the conference.

Take advantage of this opportunity and submit an abstract:
